5. Terms and conditions of rental and payment:

1. The power supply ordered is only provided for the period of the event (incl. Set-up and dismantling).
2. The invoice amount is due for payment in full by the date stated on the invoice.
3. After the delivery of the cable supply by the lessor, the lessee is fully liable to the lessor for damages to the rented item, unless the lessee proves that neither they nor their vicarious agents are at fault.
4. After the rented items have been handed over, the lessee must immediately inspect the delivered goods for defects and completeness and notify the lessor of any defects in writing without delay. If the lessee fails to do so, the equipment shall be deemed to have been accepted as free of defects and complete, unless the defect was not apparent at the time of inspection.
5. The signed order form must be received by Thursday, February 19, 2027, so that delivery can take place before the start of the exhibition. The rental agreement only comes into effect with the lessor's written declaration of acceptance.
6. The organizers are entitled to transfer all the rights and obligations arising from this application to one or more third parties specified by the organizers. On sending this application, the exhibitor expressly accepts the respective current versions of the general terms and conditions.
7. Place of service provision is Sarit Expo Centre, Nairobi, Kenia.
