

INTERSOLAR AFRICA 2026

START-UP PAVILION

October 15, 2025

START-UP PAVILION

Energize the Future!

Step into the future of clean tech at the Start-up Pavilion! Meet the game-changers of tomorrow at Intersolar Africa.

Intersolar Africa is empowering Africa: Innovations in Photovoltaics, Energy Storage and Renewable Energy Solutions. Discover bold ideas, cutting-edge innovations, and visionary entrepreneurs driving the energy transition. Join us to connect, inspire, and spark the next big breakthrough in green energy. The revolution starts here!

The following services are included in the Pavilion Package

- Highly visible location in the hall, central placement
- Complete booth construction: 4 sqm booth with booth construction and equipment (walls, 1 table, 2 chairs, electricity)
- Social media post on Facebook and LinkedIn to announce the participants
- Official opening of the Start-Up Pavilion by representatives of the Managing Director of the exhibition Organizer
- Announcement of the Pavilion in press releases
- Presentation of participants in advance on the Intersolar Africa website including a linked logo and company profile
- Notification in the Intersolar Africa Newsletter
